

Is vacuuming sucking the life out of you?

Not anymore!

Errands to run- Kids to pick up- No time to clean- Just say the word.

Introducing *iRobocleans* Newest *Voice-Activated Vacuum Cleaner*

- Clean from anywhere anytime, with just a click and a command
- Schedule cleaning ahead of time with multiple cleaning modes
- Runs up to 2 hours, beats all competitors
- Connects with; Smartphone, Alexa, and Google Assistant-enabled devices
- Amazingly quiet

It's so easy, I feel guilty.

My floors have never been cleaner, and your back will thank you!
